Encyclical on the Environment

In his recent creation care encyclical, Pope Francis extends the pioneering work of the Second Vatican Council by drawing on the wisdom of other world religious leaders, for example, the Eastern Orthodox Ecumenical Patriarch Bartholomew. May Catholics everywhere join with members of the other world religions to demand an end to the destruction of our common home and of our impoverished brothers and sisters. Pope Francis' encyclical was well received by leaders and followers of other faiths. Find out if there are other faith groups in your neighborhood or town with whom you might collaborate on a common project to better the local environment with a Care of Creation Committee. Watch an inspiring 21-minute video, **#LightTheWay**, on YouTube on the interfaith vigil in New York City organized to thank Pope Francis for *Laudato Si'* and his challenge to world leaders and to wish him well in addressing the United Nations on September 25, 2016.
